ONELAN Sponsors AV AWARDS

September 2009..... Digital Signage Specialist ONELAN has agreed to sponsor the 2009 AV Awards.

As a former winner of the prestigious AV Digital Signage Company of the year award, ONELAN are proud to be sponsoring the same category in 2009.

ONELAN develops network appliances for standalone and end-to-end Digital Signage network solutions. The Net-Top-Box is a multimedia, multi-zoned solution capable of displaying stored media and live media e.g RSS feeds, webpages and broadcast or locally streamed TV. With a browser based user interface, the system is fully multi-lingual including all main European languages. Further members of the product family cater for Enterprise network management, Touch applications and integration with external data sources.

ONELAN's NTBs are now installed in a wide variety of organisations such as retail, schools, hospitals, and government buildings, as well as some well-known corporates such as ING, Vodafone, Virgin Holidays and PricewaterhouseCoopers.

ONELAN Ltd is based in Henley-on-Thames, Oxfordshire.
